

The world's favorite lock

Digital Biometric Rim Lock YDR 4110

YDR4110

Front Body
19(D)x65(W)x163(H)mm
Back Body
36(D)x158(W)x85(H)mm

Various access

Yale YDR4110 has three access solutions, PIN code, fingerprint and Remote Control (optional) for your convenience.

One-touch Fingerprint Verification Method (Easy Scan)

Easy Scan technology has been applied to conveniently read fingerprint in one shot without the need to open or close the cover to enter a fingerprint.

Security / Normal mode

For multi-user environment, it can be turned to Security (Master) mode that the master can register and delete each user while Normal mode controls all the users at one time.

Voice Guide Feature

As the voice guide is offered that lets you know the operation status and how to set each feature and mode for easier and more convenient use.

Scramble Code

You can add meaningless number prior to or after the right code when there is a chance of exposing it to others.

Alarm (break / damage / fire)

80db alarm goes off if anyone attempts to damage the lock or force the door open, or if the lock detects over 60°C

Low battery and emergency power supply terminal

It warns in case of low battery with alarm and LED. When the batteries are completely discharged, you can easily supply emergency power to the lock with the standard 9V battery.
